## Jefferson County Circuit Clerk Launches New Website

LOUISVILLE, Ky. – The Office of Jefferson County Circuit Court Clerk David L. Nicholson announced today the launch of its new website, [JeffersonKyCourtClerk.com](http://JeffersonKyCourtClerk.com).

The website provides a wide variety of valuable information pertaining to the Office of the Circuit Court Clerk (OCCC), including descriptions of each department, services, locations, hours of operation and phone numbers. It also includes pertinent information regarding jury service, traffic citations, bail posting and expungements, as well as helpful links to related agencies and judicial partners. In addition, the site allows the Office to publish special announcements, such as department updates or office closings.

The site was made possible through a partnership with the Kentucky Circuit Court Clerks' Trust For Life.

“We are excited to launch our new website as we continue our commitment to leverage technology for the benefit of our customers. It will be a valuable online resource to help Jefferson County residents navigate our Office with its numerous departments and wide variety of services,” said Mr. Nicholson. “In addition, we are grateful for the Trust For Life’s partnership on this technology initiative and pleased to join forces with them once again to promote their life-saving mission of organ and tissue donation.”

The new website follows the Office’s successful driver’s license website, [DriveJefferson.com](http://DriveJefferson.com), which was launched in June 2015.
